

Highgate Primary School Song

We'll sing you a song
Of a school that is strong
With a culture and style of its own.
The school came alive in
Eighteen ninety five
And success of its scholars will be known.

Highgate school is ours today
Where we combine our work and play
To prepare for the years ahead
When we can let it be heard said that

We belong to Highgate School
Highgate School, Oh Highgate School
We belong to Highgate School
Highgate School
