

## Highgate Primary School Song

We'll sing you a song  
Of a school that is strong  
With a culture and style of its own.  
The school came alive in  
Eighteen ninety five  
And success of its scholars will be known.

Highgate School is ours today  
Where we combine our work and play  
To prepare for the years ahead  
When we can let it be heard said that

We belong to Highgate School  
Highgate School, Oh Highgate School  
We belong to Highgate School  
Highgate School
