Dear Stephen

I am pleased to advise that the Public School Review of Highgate Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review for your school has been determined through your self-assessment submission and validated by the review team as three years. The review will be undertaken in Term 4, 2023.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

The excellent relationships and partnerships that the school has developed with its community enabling it to meet the needs of its students are evident in the report.

Additionally, your school has developed innovative approaches to high impact teaching strategies that are proving to be effective in creating successful students.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Stephen Baxter
