## about our canteen

Our canteen follows the WA Canteen Association's guidelines of healthy choices. Our items are carefully selected to help our little ones stay healthy. You'll find lots of healthy choices such as fruit, vegetables, whole grains, low fat dairy and lean meats. Importantly, our menu is nut free to reduce the risk to our children with serious nut allergies. If your child has any other allergies, please discuss this with our staff.

Have a lunchbox recipe to share? We're always looking for clever and healthy kids' snacks to share with other parents. If you have a recipe to share for the next menu, please let Naomi know.

Birds of a feather. We love volunteers at the canteen and we rely on them. Canteen helpers are always needed for any period of time between 8am - 1.30pm each day. Whether it's once a term, once a fortnight or once a week, it all helps, and everyone is welcome. Morning tea and lunch are provided, we just need you to wear closed in shoes and have hair tied back. Please let Naomi know if you'd like to help out and have a few hours to spare.

Who we are. Your canteen operates under the guidance of the Highgate Primary School P&C. We're committed to providing delicious, healthy meals at reasonable prices.

Spreading our wings. We're always looking for new menu suggestions or feedback, so if there's something new you'd like us to think about, we'd love to hear from you.
